President's Message

The Chimney Fire has changed the landscape & lives for many of our members. The SNRA Board & I are sending our best to those that have lost their homes to the fire. This is a difficult time for many of our families, we wish you the best & hope for better days ahead. Our roads have served us well and held up even with a constant flow of heavy traffic brought to fight the fire. Applications for unimproved property deferments are available & will be reviewed and voted on by the board as presented. As a result of the fire the Board is preparing for the removal of trees threatening the road & the placement of straw waddles to prevent mud run off that may clog culverts. We are constantly anticipating the forces of nature, however the outcome & consequences of what might happen remain unknown. We are all hoping for some light rains followed by sunshine that would provide the grasses a chance to take hold.

The Board has voted to keep this next years dues at the current rate. **Please remember to vote on next year's budget before or at the November 13th meeting.**

Sincerely, John Hunter SNRA President

Thank You!

Each month we acknowledge those who freely give of their time and energy to support SNRA and our members. This month the list is quite long as we wish to offer our sincerest appreciation to so many ...

Thanks to :

- FIREFIGHTERS! Who came from far and near to battle the Chimney Fire for us and with us 24/7 for 25 days before achieving full containment.
- PG&E, Red Cross, The Sheriff Department and all those that played a support role throughout the fire.
- OUR MEMBERS who stayed to fight the fire protecting not only their property, but in many cases that of their neighbors.
- Cheryl Dodge for organizing the community informational meeting following the fire.
- All those that donated to the pancake breakfast prior to the community meeting.
- Matt Hall for repairs at the Gage Irving Gate area.
- Leonard Southerland of M. Frederick Paving for giving us more materials and labor than actually contracted.
- Tim, Debbie and Evan Kopack and Yesterday's Sportswear for their generous donation of shirts, caps and throws.
- Bert Lindsay, Laurie Klein and Sue Kennedy for selling the shirts, caps and throws Memorial Day Weekend.

Clearly it is not possible to mention all the efforts of our fabulous community to save and protect our Happy Place, but please know that your contribution is appreciated!
