

EMERGENCY CALLING LIST May, 2019 **See reverse for Fire Safety Information**

Instructions For Fire

In the event of fire inside Running Deer Gate, first **call 911**. Then call one person at the top of the list. If you can't reach either person, proceed to the lower levels, especially in the area closest to the fire, until you reach someone who will **call the rest of the list**. Or, you can do the calls.

If you help to fight the fire please wear closed shoes and long pants. If you are hurt, firefighters must tend to you instead of the fire.

Station people at intersections to guide emergency crews; the fire crews who respond may not be local!

CALL 911 FIRST!
