President's Message

The South Nacimiento Road Association Board has finished another year of work for its members. This has been a very productive year that has allowed us to complete a number of major repairs & maintenance projects as well as clean up following The Chimney Forest Fire. There is still concern regarding possible runoff and mudslides that may occur with winter rain storms. Our \$20,000 emergency fund is still available if needed.

I want to congratulate our Board members and our staff of volunteers and our sub contractors for taking on and completing the work. Our roads get better each & every year and plans are already in place for another productive and successful New Year.

Take care, drive safely and have great Holiday.

John Hunter, SNRA President
