Volume 20 Issue Number 6 The Official Publication of the South Nacimiento Road Association November 2020

President's Message

The Road Association has put another year in the books and what an interesting and complicated year it has been. Everyone has been affected by Covid19 and the quarantine, civil unrest, politics and the elections while combined with months of smoke filled air from fires across the state. The SNRA Board was able to work through the year and conduct business and thankfully Michael Frederick and his crew were able to fulfill our road maintenance contract.

Our area and our roads have been through a lot of adversity since the fire of 2016. There are 11 miles of roadway that we take care of. After this years work I feel that we are gaining some momentum on our chip seal maintenance.

Drive safe and have a good Thanksgiving Holiday and a Merry Christmas.

Best to all in 2021. See you next year!

John Hunter, President
