**Worksheet to help track hours spent
 for SLO County Firewise Grant money**

Every year, the properties “behind the gate” submit a request for grant dollars. This money is used for brush clearance along the roads.

If you could track the following based on each calendar year;

- number of hours you have spent cutting the flammable vegetation on your properties.
- Weed spray – number of hours and \$\$ spent
- If you hired a contractor to do any of these jobs, keep track of the amount of money spent.
